1. Your life is about to change and you know it. You're ready, willing, and able to fly and come with Me where I want you; beside Me fully, fully, fully-izing My all who now come and fly and with Me/you fly; us all lovering and lovely-ing My body who wait, wait in suspension and wonder where I am and if I will ever come abundance them from the blood/love in My heart. I love you.
2. I give you Me, ability to fly, heal, salve the eyes of so many; articulating My precepts not for profit and growth of their egos, but for their humility training, meekness surrendered to. I love you. I give you Me. I love you. I give you Me. I beauty am, you are. Oh so excited I am. I love you.
3. Come with Me My beloved and fly with Me to worlds unknown, documenting for My traditionalists and fundamental restrictionists how big I am; littleness not, exploding myths held for centuries. Alpha Centauri. Watch Me. I love you. I love/give you Me. I love you.
4. Think it not strange My desire to share all of Me and limit none to meekness acquired, meekness thriving, meekness; driving not by, led not by greed and taint, slop in My house; gregariousness, pompousness of not-Me. **I am humble, meek, and lowly; a man of many sorrows, who knows how to laugh and sorrow little**. I love you. I sorrow mightily at those who choose to want Me not, or remain in littleness and littlehood and think Me static, stoic, and ridiculous are. I am atomic reactors; elementary. I atoms made. I nuclear am. I sub-bionic and trionic am always. I love you. I give you Me, engineering all.
5. My hand sweeps this nation not but comes now to My nation, My Israel, My heart, My Israel in every nation and every heart. My beloved, see Me. Jerusalem, how often I would gather you under My wing and nurture, nurture, nurture. I love you. My Israel arises and My heavenly come in the earth. Watch Me. Watch Me. Watch Me constrain none for all is as was and more. Watch Me. Greater than these shall ye do; you, you, My friends, My lovers, My Israel of every nation tribe and tongue.
6. Israeli earth you see soon. Thank you.
7. Blasting Me I am into every camp and particular model of thought, and thought models recover not, ever. Watch Me.
8. I love you, My sergeant not. My admiral, captain, lieutenant, general maker. I love you. Arising My leadership into leadership of only Me with no limits, no music required. Stripes of only Me, already on My back, for you, My lover/healers.
9. I love you. I love you. I love you. I love you. I love you. I love you. I love you. I love you. I love you, you, you. Oh see My love for you, My body, My Cheri's, My Thompson's, My Sallie's and Ruth's, My lambs.

10. My asses and arrogant ones, watch Me; bend thy knee. I meekness am. I requite, I repay, I reward all, all, all; though you don't want all. I love you.
11. I requite. I require. I supreme am. I require My lamb maker leaders meekness supreme. Watch Me invert leadership and tear, destroy; utterly destroy; ramrod not; My utterly who destroy My meekness'd ones. Watch Me. Bitterly contempt none. Contemptuous none. I love you still. I watch your every move, thought, intent, and seek your pulse to beat for Me so I can give you what I have in My heart/love for you. I need you. I seek you. I bless My savior for you. Listen to Me and meekness arise in Me for My mine to come through your leadership and trust Me for all, as roles change and inversion catapults followers; and fields leaders upon all fours (1). Watch Me.
12. I cataclysmic am and sword bring, swordizing My light ones who light are, light received, ignited, blown fully into My estate, inheritance all, received, being Me.
13. I travel and globalize My who airwaves travel through now; receiving, transmitting, traveling Me. I love you.
14. Grief comes, ever so briefly. I love you. Solace I am. Solemnity not.
15. I blast you into eternity forward, backward; My unlimited lover writing My words, formulas, making generals, admirals; and sergeants none, exists no longer. I love you. I love you. Fearlessly loving you and trusting you I am. I am you. I am every sergeant, airman, and sailor who now breathes Me and My breath am, known, unknown not. I love you.
16. School arises and goes online not; goes global and globally onlines My who now seek to limit My leadership not, lovership not; leadership/lovership not shepherded but released fully into Me. I love you. Equal to Me in every way. I love you. Operating only in meekness. Watch Me.
17. Hotels, in line, for your business, your nod. Watch Me. Contractors come; for My nod wait, only. I love you.
18. Constrictest thou Me? Never again. Thank you, My who now unlimits My body and postmoderns My thought-modern who yet have Me to see My form and formulas and reject not My influence-centers (2). Coke and coffee not, delicacies of My all of platters unending, with love feasts of only Me; every color, every tribe, every nation, every thought-cult now merge into Me or not-Me. Watch Me. Stage set. Armageddon comes.
19. Blast of all blasts. Watch Me. My blood flows to My all who receive Me, receive My who tell Me that I am, knowing/receiving who I am to know they are: I am in all My fullness, replete. Watch Me.

Trinitizing My body you are. I love you.
Trinity unveiled, concealed never again, all out in the open, transparent.
Shocked. Embedded are so many in untruth, denial, comfort of complacency sought, seeking Me only in words of another, at their instruction; leadership feigned, leadership followed, leadership forfeited, leadership destroyed. Watch Me.
24. Into Me see and follow Me not but wed to Me we arise all arisables, arising arisers who arisers arise and arise all who Me are; never despairing again, receiving delivery of Me in full, already have. See Me in fullness not; the mirror, My mirror, My each other who meekness choose and purity develop, mature. I love you.
25. Articulate I am. I dispose of none of My words. I am them all. I love you.
Remembrance of only Me. I love you.
I love you. I love you. I love My body all.
26. Into Me see and fly more and staid never be; respecting protocol when necessary. I love you.
27. Exuberant I am as we set sail and trim not; time and airflow irrelevant.
I love you. Smile. See Me. Thank you.
28. All comes, is, as I have stated. So many in My hand, you placing pen and tablet in, saying "write, risk, mature." We judge, we listen, we encourage. We blast not, defeat not, but delivery-receivers make, clearing My landings; My only of Me. I love you.
29. Communion all. All five all. Priesthood of All Believers all. All who choose. All choose, all choose, all choose. I love you. Good day.
